

Principal's Message

Aloha Parents/Guardians,

I am extremely grateful for your support and understanding as we dealt with the threat to our school. In these days and times, we must be ever more vigilant in monitoring our surroundings whether on campus or off. We must also treat each other with respect and courtesy. I ask, again, for your support to ensure your child(ren) adhere to our policies as it is crucial for our safety and success.

1. Use their uniform shirts daily. This helps with quick identification of students who belong to PHIS.
2. All students were provided with a free identification card that must be on their person daily. This is also used for access to their free meals.
3. Tardy/Class Cuts: Students must get to class on time and not skip classes. This is a huge safety issue as we need to know where every student is all the time. Teachers, counselors and administrators have called to inform you. You can also access the information daily on our Infinite Campus Parent Portal database.
4. Always adhere to our safety drills. Students who do not get into a sheltered place risks their safety and the safety of the adults who must monitor their location.

Thank you again as we move Onward and Upward.

Middle School AVID Program at Hawai'iCC Day by El'se Ushijima

On February 8th, the 7th and 8th-grade AVID students, along with their tutors, attended the 5th Annual Hawaii Community College (Hawai'iCC) Day. At the event, students had an opportunity to learn about the different programs by visiting exhibits, participating in hands-on activities, and speaking to the instructors, as well as student representatives. AVID students became more aware of career choices, and the importance of preparing for college.

After leaving Hawai'iCC, students did a walkthrough of Suisan Fish Market, and purchased the Pahoia School Poke Bowl Special (one time offer)! Lunch time was spent playing football or taking a relaxing walk through the beautiful Liliuokalani Gardens. Our last stop was at Pandamonia Paletas, where students could choose from 43 flavors of fresh fruit popsicles. It was a refreshing way to end a perfect day.

Students created a Thank You Card to the Suisan Crew. They were thrilled with the gift.

Thank you to Hawaii P-20 for paying the cost of the bus transportation, and to the two, super great Akita Enterprises bus drivers, who were both graduates of PHIS.

Our Middle School Health Classes were fortunately enough to have a visitor on Wednesday, February 21, Augie T spent the entire morning with our students and shared with them better ways to make choices in life, so they can be successful. Along with his humor, he shared his touching life story of growing up in hardship and losing his brother to drugs, giving the students a chance to see that you can succeed in life no matter where you come from as long as you make the right choices.

HETS O'ahu Field Trip by Ernelle Downs

On February 23-24, Hawaii Educational Talent Search (HETS) students Jeryll John Bernardo, Luis Guerrero-Garcia, Haley McCandless, Jake McCormick, Matthew Meyer,
