School Community Council (SCC)

PHIS invites you to become a part of the School Community Council by signing up as a parent and student representative for the 2016-2017 School Year! The School Community Council was created to support school improvement and the academic achievement of students through increased community involvement in the school. We need two parents and two student members for the 2016-2017 school year. Please support your school and community by volunteering your time. Please call Rhonda Hess-Sabaratnam at 313-4382 for more details.

School Highlights

This month Pahoa Intermediate School students participated in SpringBoard Multimedia Project to help students understand "One Person Can Make a Difference." Students developed a multimedia presentation that informs others about an issue of national or global significance and encourages their peers to take action.

Thank You to the Friends of Children's Justice Center of Hawaii in bringing their **Prom Dress Distribution Event** to PHIS campus. Pahoa High School ladies checked out, tried on and took home free prom dresses to wear to Prom.

Congratulations to our **PHIS' Math Teacher, Mr. Joel Behr**. Mr. Behr is one out of seven Hawaii teacher finalist for the **2015 Presidential Award for Excellence in Mathematics**.

Congratulations to **PHIS' Physical Education Teacher, Mr. Ward Gardner**, in receiving the **HSTA School Year 2015 – 2016 Teacher of Excellence**. Mr. Gardner was selected by fellow PHIS teachers and will be honored at Nani Mau Gardens on May 1, 2016.

On April 5 to April 6, 2016, senior students Gernel Javier, Godfrey Julia, Edgar Ramos Delgado and Kobe Miller participated in the **2016 Career & Technical Education Performance Based Assessment (CTE PBA)** at Sheraton Waikiki. Students worked as a team and had two days to work on a real-world challenge from a client and present their findings and solutions in front of judges.

The students participated in the Natural Resources Pathway Plant Systems Program of Study PBA in which students assisted the North Shore Community Land Trust with developing a native plants re-establishment plan for Kahuku Point. The Re-establishment Plan included a timeline for the propagation of specific native Hawaiian Dune ecosystem flora, determining the optimal plant stage and time of year for transplanting at the site, and processes and procedures to ensure plant survival without human interventions. Student plans will be used as part of long-term restoration and recovery action implemented by the Land Trust.

Gernel, Kobe, Edgar, and Godfrey took home 1st place in receiving the **HIGHEST OVERALL PROFICIENCY** score. This is the first time Pahoa High School student participated in a CTE Natural Resources Pathway Plant Systems PBA.

Congratulations to Grades 7 to 12 students who received a **Quarter 3 GPA Award** at the School Assembly on April 15, 2016. At the Assembly students, staff and teachers watched the **PHIS' 1st Body Physique Competition**.

Congratulations to Alana Kizanis, Mary Noble, Gernel Javier and Kilinahehoheleleiokeoolau Oliveira. Students completed the **Senior Project** and presented in front of teachers, staff and family members on April 8, 2016.
