

## Principal's Message

Aloha Parents and Guardians,  
Thank you for attending our parent/teacher conference this past October. This was the highest overall parent attendance we've had for the past four years. If you were unable to attend, you can contact teachers directly or contact the grade level counselor. Please call 313-4300 and you can be directed to the appropriate person. Student report cards were provided to students on November 1, 2017 whose parents/guardians did not attend parent/teacher conference.

Please urge your child(ren) to stay focused on their academics and get involved in the many school activities we offer. Celebrate your child(ren)'s successes and support them with their challenges.

You should have also received from your child(ren) the brochure 'What Parents Should know About the Use of Restraints and Seclusion'. If you have not, you can stop by the front office for a brochure or access the [doe.k12.hi.us](http://doe.k12.hi.us) website.

Per parent suggestion, I will be holding a 'talk story session' on November 8, 2017 from 4:00 to 5:00 pm in the bandroom. Please join me. I'd love to hear all the great ideas we can collaborate on to improve our school. If you can't make this meeting, please join me and the School Community Council on December 13, 2017 from 3:15 to 4:15 in F105.

Thank you for your continued support as we move Onward and Upward.
